The image is a topographical map of a residential area named "El Castil". The map features a large blue lake on the left side. A brown, rocky peninsula extends into the lake from the top left. The main landmass is green and contains 22 numbered plots, each marked with a white circle containing a black number. The plots are arranged in several groups: plots 1, 2, and 3 are in a row at the top; plots 4, 5, 6, and 7 are in a vertical column on the left side of the peninsula; plot 8 is a small hexagonal plot between plots 4 and 5; plots 9, 10, 11, 12, and 13 are in a vertical column in the center; plot 14 is a small triangular plot between plots 11 and 12; plots 15, 16, 17, 18, 19, 20, and 21 are in a vertical column at the bottom left, with plot 15 being the top-most and 21 the bottom-most; and plot 22 is a large rectangular plot at the very bottom. A winding road or path is shown in light brown, and a white line, possibly a fence or boundary, runs along the right and bottom edges. The terrain is indicated by green contour lines and clusters of dark green trees. The text "El Castil" is written in a bold, yellow, serif font with a black outline, positioned in the middle-left area of the map.

El Castil
